

You know you need a college degree so that you can achieve your career goals.

one two three

It's as easy as

1, 2, 3

Bristol Community College and UMass Dartmouth have partnered to make that dream a reality.

Known for its quality and affordability, Bristol offers the education you need with a dynamic college experience—from student clubs and cooperative education to student government and athletics.

That means you'll earn an associate degree from a top community college, Bristol, and your bachelor's from UMass Dartmouth, a national research university.

BRISTOL + UMassD

It's as easy as

1, 2, 3

This program applies to students who want a full-time, day program.

Bristol + UMassD is designed to ensure a smooth and successful transition from Bristol to UMassD and provide distinct UMassD advantages while you attend Bristol.

1 Enroll in the **BRISTOL + UMassD** program

You may apply to UMass Dartmouth and be offered admission into this program because we believe you will benefit from the educational opportunities at Bristol. This "unified admission" means you do not need to submit a Bristol application or application fee, and there will be no transfer application fee when it is time to transfer to UMassD. You will not need an essay or letters of recommendation for your transfer.

MassTransfer A2B programs. As a current Bristol student, if you enroll in the Plus Program, there will be no UMassD transfer application fee, and you will not need an essay or letters of recommendation.

After you complete your associate degree from Bristol, you will enter UMassD as a junior; and you must enroll at UMassD within one year of receiving your degree from Bristol.

Bristol students who have less than 30 credits may choose to enroll in this program, as well as any students who are participating in the UMassD/Bristol articulation agreements or the

Most UMassD programs require a Bristol cumulative GPA of 2.5, however a few academic programs stipulate additional requirements (see umassd.edu/plus).

2 Participate in special UMassD programming at Bristol

Students in the Plus Program benefit from activities that immerse you in both the Bristol and the UMassD communities.

- Working together, Bristol and UMassD will develop an individualized academic plan for you to stay on track to enter the academic program of your choice, including onsite advising at Bristol.
- UMassD career development staff will offer workshops at Bristol so that you can start your career path beginning your first year at Bristol through graduation from UMassD.
- Academic advising workshops will be held onsite at Bristol to ensure that you are registering for the appropriate courses.
- Attend "appreciation events" at Bristol so you can network with UMassD staff and faculty.
- You will have priority registration in UMassD courses for your entering semester.

3 Bristol + UMassD offers significant advantages

UMassD is awarding merit scholarships of at least \$2,500 a year to students who earned a cumulative GPA of 3.0 or higher, and who enroll as full-time, day student at UMassD. You can maintain that scholarship for two years if you maintain the cumulative 3.0 GPA at UMassD.

As a Plus Program student, you will receive Bristol and UMassD ID cards that provide access to:

- events at Bristol and UMassD campuses – sporting events, musical and theatre productions, concerts, speaker programs
- facilities on both campuses such as the library, fitness center, bookstore, and dining halls
